

Casablanca - Morocco

Sunday, 10 June 2007

After departing Zaragoza at 9:30 am, we flow over the

strait of

Gibraltar , on our way to

Morocco .

We landed at

Morocco on Sunday June 10th Â about 12:30 and meet a group of people who were thrilled to hear about our trip. Â

We can't work all the time, so we decided to take it easy and enjoy a little bit of the Moroccan night. Â Â Â Â Â
