LaGuardia Airport at 10:20 am for our next stop to Newfoundland. After 20 minutes of weave our way through a few active cells on the west side of Boston, we made to the clear blue sky. We had a very smooth ride and arrived in icy Goose Bay at 4:30 pm.

Newfoundland . After 20 minutes of weave our way through a few active cells on the west side of Boston , we made to the clear blue sky. We had a very smooth ride and arrived in icy Goose
Boston , we made to the clear blue sky. We had a very smooth ride and arrived in icy Goose
Goose
Bay at 4:30 pm.
There is not much to see in Goose
Bay , but it is a good fuel stop.
