Statement Regarding the Unfortunate Death of Farhad Rostampour

It is with regret that we must write to inform you about the untimely death of Farhad Rostampour. Farhad passed away doing what he loved, on the 13th of January 2021 shortly after 10:33am EST; in the aircraft that made history (Bonanza F33 N266DC). We send our sincerest wishes to all of his friends and family, as they remember and celebrate the life of a warmhearted friend above all else.

Arshid had to say about the incident: "It's upsetting to hear about the loss of a fellow pilot, but also an old friend. It will be hard to process Farhad's sudden death, but he will be proud to have built a legacy that will live on for many more years. Farhad remains in our thoughts and my family sends our best regards to his."
